Sir,

Re contingent charges incurred in connection with the toll establishment in Gubbi Town Municipality

====

In forwarding herewith in original, the connected records received from the Amildar-in-charge of the Gubbi Town Municipality on the above subject, I have the honor to state as follows -

The Amildar states that there are toll gates which are worked departmentally and on an average a sum of

6229

of Rs 72/- is being incurred as expenditure under contingencies, such as oil, gum, etc , during each year It has been observed by the Auditors during the audit of the accounts of this Town Municipality during the year 1940-41, that sanction of Government is necessary for this expenditure in addition to the usual office contingencies of Rs 4/- per mensem

As the expenditure incurred in this behalf is quite a different charge from that of the office contingencies, he seeks the sanction of Government for having incurred this expenditure during the year 1940-41 and for also during the years 1941-42 and 1942-43

I request that sanction of Government may kindly be obtained in the matter Necessary provision has been made in the current year's budget, in this behalf
